

## CLEAN VERSION

### IN THE CLAIMS

1. (Currently amended) A hose attachment organizer, comprising:  
a rack having a face;  
a plurality of mounts connected to the rack, each mount having threads mateable to a garden hose attachment[[:]], wherein one or more of said mounts is connected to said rack at an acute angle in relation to the face of said rack.
2. (Original) The organizer of claim 1, further comprising:  
means for attaching said rack to a wall.
3. (Currently amended) The organizer of claim 1, wherein all of said mounts are connected to said rack at an acute angle in relation to the face of said rack.
4. (Currently amended) The organizer of claim 2, wherein all of said mounts are connected to said rack at an acute angle in relation to the face of said rack.
5. (Original) The organizer of claim 1, wherein said rack is provided with screw holes at either end of said rack, and further comprising screws insertable through each screw hole.
6. (Original) A hose attachment organizer, comprising:  
a rack having a face;  
a plurality of mounts connected to the rack, each mount having threads mateable to a garden hose attachment, wherein said mounts are

connected to said rack at an acute angle in relation to the face of said rack.;

screw holes in and through said rack; and  
screws insertable through said screw holes.
